Ce mobilier a été conçu pour une résistance de 25kg par tablette.

La face avant peut recevoir 2 tablettes.

La face arrière peut recevoir une seule tablette et à condition que la face avant soit également chargée (Veillez à placer plus de poids à l'avant qu'à l'arrière).

Veillez à ce que les crans des tablettes soient bien enclenchés dans les crémaillères.

Votre responsabilité peut-être engagée en cas de non-respect de ces consignes lors d'un incident.

This furniture has been designed to withstand 25kg per shelf.

2 shelves can be fitted in the front.

The rear panel can accommodate a single shelf, provided that the front panel is also loaded.

Make sure that the notches on the shelves are properly engaged in the racks.

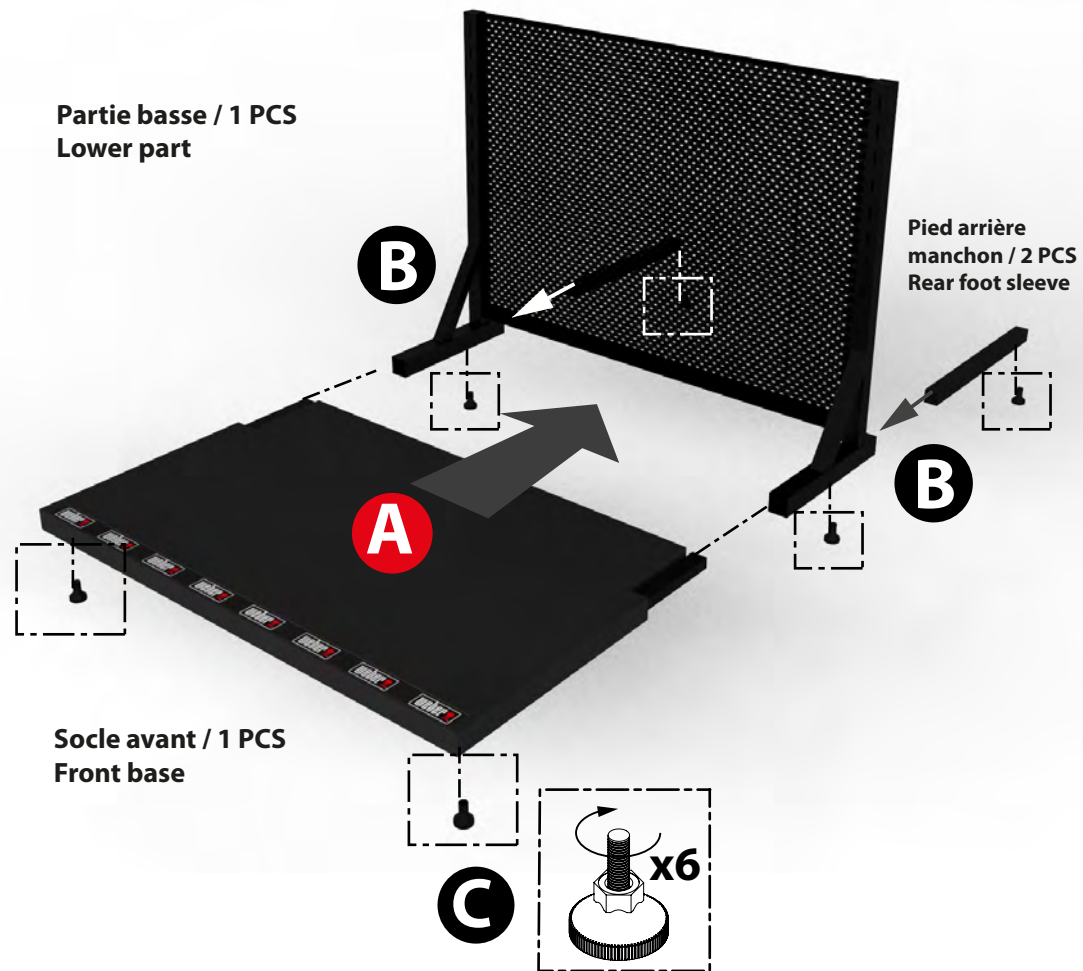

You may be held liable if you fail to comply with these instructions in the event of an incident.
